# ROSE LIST 2007

Save 20% off the retail price by ordering before December 1, 2006!

Discounts apply to prepaid orders ONLY.

Pre-ordered roses are supplied bareroot — all others are potted.

Orchard Nursery is happy to present the 2007 Rose List. It is always a labor of love deciding what to add and what to eliminate. We hope the result pleases you, as it does us.

There are three AARS winners this year and not one of them is a Hybrid Tea! **'Moondance'** is a Floribunda with luminous clusters of white blooms smelling strongly of raspberries. **'Strike It Rich'** is a Grandiflora with loads of deep golden yellow blossoms edged with rosy pink and well scented with fruit and spice. And lastly, **'Rainbow Knock Out'** is a sturdy landscape shrub that covers itself with coral pink and yellow blooms and is impervious to black spot.

As always, it is our intention to supply all roses listed, however, due to circumstances beyond our control some varieties may not be available. Remember, popular varieties sell out quickly. For best selection place your order before Dec. 1<sup>st</sup> and take advantage of our early order discount.

Varieties in **Bold Type** are 2007 AARS winners

• Denotes new introductions for 2007 and new varieties added to our list.
