Orchard Nursery is happy to present the 2008 Rose List. It is always a labor of love deciding what to add and what to eliminate. We hope the result pleases you, as it does us.

There are two **AARS** winners this year and, once again, neither of them is a Hybrid Tea! **'Mardi Gras'** is a riot of color on a vigorous Floribunda that performs well in all climates. **'Dream Come True'** is a Grandiflora from amateur hybridizer, Dr. Paul Pottschmidt, who realized his ultimate dream by winning this coveted award.

As always, it is our intention to supply all roses listed, however, due to circumstances beyond our control some varieties may not be available. Remember, popular varieties sell out quickly—for best selection come in early.

Varieties in **Bold Type** are 2008 AARS winners

• Denotes new introductions for 2008 and new varieties added to our list.
